## New non-smoking policy for Alyson Pond Pool, effective 7/3/2010

In response to health-related concerns brought to the board by homeowners, the board voted this past week to make the Alyson Pond pool non-smoking within the pool enclosure.

This move will make Alyson Pond consistent with other neighborhood community pools and Raleigh city pools, and is designed to ensure that our community resources remain a safe and welcoming place for all residents.

**Effective Saturday, 7/3/2010, smoking will NOT be allowed within the pool enclosure.**

We will be making cigarette receptacles available for those who choose to smoke outside the enclosure.

Thank you in advance for your cooperation in adhering to this new policy, and please feel free to let us know of any questions or comments at [info@alysonpond.com](mailto:info@alysonpond.com).
